Sabina Pavlova. The Bulgarian Bilingual Lexicography from 1878 to the End of the 20th Century. *EMAS* Publishing House, Sofia, 2010, 234 p.

The study dealt with in the review presents a thorough analysis of the entire body of l exicographic work created over more than a century from a cultural-historical, philological, bibliographic and strictly lexicographic perspective that adds up considerably to the picture of the development of lexicography in Bulgaria.
