**PREFIXING AND DEVELOPMENT OF THE BASIC
OLD BULGARIAN IMPERFECTIVES**

(Summary)

This paper describes the development of the basic imperfectives from Old Bulgarian Language through the Middle Bulgarian Language to contemporary Bulgarian Language – presented by the standard language and dialects. Some of them disappear through the history of the Bulgarian Language, the others keep forms only in the dialects.

The topic of this research is the formation of the perfective verbs from basic imperfective verbs by prefixes. The paper includes a table which summarizes those cases when the prefix has lost its lexical meaning and has only become a tool of perfectivation.

Keywords: verbs, perfectives, imperfectives, Old Bulgarian language, dialects
